Experience

Code Ninjas | Code Sensei / Code Instructor | Oct 2020 – Present

- Hired as a programming instructor for in person and online classes. Additionally, tasked with hosting local hackathons and preparing code bootcamps.

- Gained a new perspective on tech concepts and ideas.

Kaspersky Labs | IT Training Course Translator | Sep 2016 – Aug 2017

- Responsible for the complete and correct translation of the IT training program for new Kaspersky employees from Russian to English and vice versa. Additionally, part of the team tasked with translating the ICS Certification Kaspersky web content.

- Gained an understanding of basic IT and development topics, as well as experience working with front end web technologies.

Additional Experience

Seattle Synchro | Assistant Coach | Sep 2016 – Aug 2017

- Created and executed a training/conditioning program for swimmer aged 8 – 18. The training programming aided athletes in passing speed swimming qualifications.

- Gained experience leading different groups of people with varying age, skill, and experience in swimming. Learned how to resolve conflict and lead a team of people towards a common goal.

DePauw Men's Swim and Dive Team | Athlete | Aug 2018 – May 2022

- Represented DPU during dual and conference meets. Top team scorer and conference finalist.

- Continued to build a strong work ethic alongside the ability to follow thru with commitments and responsibilities. Gained a new understanding of a selfless team-oriented mentality.

Bellevue Club Swim Team | Athlete | Aug 2012 – Mar 2018

- Represented BCST during state, regional, national, and international competitions. Multiple club and national recorder breaker.

- Built a great hard-working ethic and a team-oriented mentality alongside the ability to be persistent and perform under pressure.
